TRAINING OVERVIEW

TRAINING DESCRIPTION

High quality Contract Management, Preparation, Formalization, Variations and Contractor negotiation, evaluation, Selection and Claims Management are essential activities in achieving improved levels of performance for all organizations. Providing the high value-added activities available from contract and procurement operations requires the continuous involvement of knowledgeable professionals and management who understand and implement the best practices in Contract Management and Tendering for the acquisition of goods, equipment, and services. Included in the many topics covered in this training session to move contracts from the tactical to a more important strategic focus are:

DMCT/OL/9/18(Rev3Dt:23/9/18)
